Important Notes:

We would like to bring to your attention some important conditions regarding the selection and potential changes of your child's subjects for the Grade 10 IGCSE programme.

- Please note that once an options request has been approved, it cannot be reversed in the future.
- The student will bear full responsibility for this decision, and the subjects not selected will not appear on the school certificate.
- The school will not be responsible for any external examinations related to subjects that are not selected.

Please note that the following core subjects must be taken and cannot be changed:

- English
- Arabic
- Islamic Studies
- Quran
- Social Studies (KSAH)
- PE

We encourage you to discuss these conditions with your child and consider them carefully before finalising their subject options.
