

STUDENT COUNCIL POLICY (BRITISH SECTION, Boys)

2026-2027

Purpose

The AIS Student Council is a representative body of students (Grades 9 to 12, British Section, Boys) that advocates for student interests and enhances their academic and school experience. The council works with the activities department, communicates student needs to the administration, and contributes to improving student life.

This policy governs the composition, selection, conduct, and continuation of the Student Council for the academic year 2026-2027. It applies to all council members and to all students applying for a council position.

Powers and Responsibilities

The Student Council is responsible for:

- Working with the activities department to coordinate events and activities that benefit the student body.
- Raising student complaints or suggestions to the school administration.
- Representing the students in meetings with school leadership.
- Providing a platform for students to voice their concerns, ideas, and interests, and ensuring these are communicated effectively.

Student Council Structure

The Student Council consists of seven members: a President from Grade 12, two Vice Presidents (one from Grade 11 and one from Grade 12), and one Grade Representative for each of Grades 9, 10, 11, and 12.

President:

Yamen Wael (12B)

2 Vice Presidents:

- Grade 12: To be selected through the 2026-2027 application round
- Grade 11: Abdulhafeez Abdulrazig (11B)

Grade Representatives:

- Grade 9: To be selected through the 2026-2027 application round
- Grade 10: Moamen Haitham (10C)
- Grade 11: To be selected through the 2026-2027 application round
- Grade 12: To be selected through the 2026-2027 application round

Roles:

- **President:** leads student council meetings, oversees all activities, acts as the primary connection between students, administration, and council members, guides council projects, and resolves issues.
- **Vice Presidents:** support the president in his work in each section, lead specific projects and initiatives, report to the president about their section, and assist in council logistics by coordinating the different activities.
- **Grade Representatives:** represent their grades, gather student feedback, actively participate in meetings, projects, and events, and communicate council decisions to their peers in their section.
- **Class Managers:** class managers are not members of the Student Council. Each class has a class manager who communicates with the grade representative for his grade, reporting the needs and ideas of his class so that they reach the council.

Election and Selection Process

- The Student Council will be chosen via an interview process, in which at least 2 administrators will attend.
- Each candidate will be assessed by two admins, with a total score of 25 points based on five evaluation criteria.
 - Communication & Confidence (5 points)
 - Teamwork & Cooperation (5 points)
 - Responsibility & Reliability (5 points)
 - Leadership & Initiative (5 points)
 - Commitment to School Values (5 points)
- Each candidate will go through the application and interview process.
- Applications for 2026-2027 open on Sunday, 13 September 2026 and close on Wednesday, 16 September 2026 at 11:59 PM. Shortlisted candidates will be interviewed the following week.

Continuation and Dismissal Policy

1. Continuation:

- Since the President is always a Grade 12 student, the Vice President may assume the role of President the following year, unless they are found to be careless, uncommitted, or ineffective in their current role.
- Grade Representatives are typically reselected each year; however, those who demonstrate exceptional performance, leadership, and dedication may be invited to continue.
- Other Student Council members who show consistent participation, leadership, and commitment may continue serving, provided they maintain good academic standing and fulfil all assigned responsibilities.

- Continuation is confirmed in writing by the administration before the application round for the following year opens, so that students know which positions are open to application.

2. Dismissal:

- Members may be removed from the council for failing to attend meetings regularly (three consecutive absences without a valid reason), showing a lack of involvement, or engaging in misconduct.
- The President, after consulting the council and the Student Council Advisor, may recommend the dismissal of a member.
- The Head of School and the Student Council Advisor reserve the right to dismiss the President or any member for failure to meet their responsibilities, following appropriate consultation.

Policy Review

This policy will be reviewed annually to ensure it continues to meet the needs of the school community.
