GRADE 9 IGCSE OPTIONS FORM

ACADEMIC YEAR 2026-2027

In order to provide you with the most personalised school learning experience, kindly note the following subject distribution.

Table A shows the compulsory subjects and their weekly loads.

Subject	Curriculum	Periods per week
Arabic	MoE	1
Islamic Studies	MoE	2
Quran	MoE	3
Social Studies (KSAH)	MoE	2
PE	MoE	1
English	IGCSE	4
Physics	IGCSE	4
Chemistry	IGCSE	4
Biology	IGCSE	4
Business Studies	IGCSE	3

Table B shows the optional subjects. Please check (✓) one subject from each row to indicate your selection.

Subject A	Subject B	Curriculum	Periods per week
☐ Mathematics (Cambridge)	☐ Mathematics (Edexcel)	IGCSE	5
☐ Accounting	☐ Arabic	IGCSE	3
☐ Computer Science	☐ ICT	IGCSE	4

Table C is optional. Please check (✓) if you are part of the Hifdh Programme.

Grade 9 IGCSE Options Form, shown as an example

- Table A lists the subjects every student takes. There is nothing to choose here.
- Table B holds the choices, set out as either/or pairs. Tick one subject in each row.
- The Grade 9 form adds a third table: an optional tick box for the Hifdh Programme.
- Whichever combination you tick, the week comes to 40 periods.
- Sign the form and return it by the deadline printed on it.

What your son chooses

Everyone takes	English, Mathematics, Biology, Chemistry, Physics, Business Studies
Choose one	Arabic (IGCSE) or Accounting
Choose one	Computer Science or ICT
Maths board	Cambridge or Edexcel
Grade 9 only	Hifdh Programme, optional

What the two boards share

- Both prepare students for advanced level study.
- Designed by subject experts and based on the latest educational research.
- Provide extensive teaching and learning resources.
- Internationally recognised qualifications.
- Exam: two papers, two hours each, 200 marks in total.

Where they differ

		Edexcel	Cambridge
1	Exam structure	Modular, so one paper can be sat in one session and the other in a separate session.	Both papers must be taken in the same session.
2	Calculator use	Calculator allowed in both exams.	Calculator allowed in one exam only.

In short • Same content, same standard. The difference is timing and calculators.

Edexcel assessment

Paper 1H	100 marks, calculator allowed
Paper 2H	100 marks, calculator allowed

Where the marks sit

40% on grades 4–5

60% on grades 6–9

Support and Intervention

Part 3 • Support and Intervention

How we keep track of your child

1

Mock exams

Full exam simulations under real conditions, so the summer session is not the first time it feels real.

2

Progress sheets

Every subject keeps a Student Academic Progress Sheet, tracking individual growth through the year.

3

Early support

Anyone slipping below 60% is picked up during the term and given a named intervention plan.

In short • You will hear from us before the grade drops, not after.
